1 senders. I think most of these need dates just for the
2 fairness hearings and we are not ready to set those dates
3 yet, am I correct in that?

4 MR. BURNS: That's right, Your Honor.

5 THE COURT: And the same with occupant safety?

6 MR. BURNS: For the end payors and the dealers, I
7 think that's correct across the board, Your Honor.

8 THE COURT: Okay. So next we are at the status of
9 the temporary stay in the MDL, that is the DOJ stay, that is
10 item I-C on the agenda. The DOJ has reported to me that it
11 no longer has any objection to discovery, either document or
12 deposition discovery, with regard to the anti-vibration
13 rubber parts, so we are there. We don't know what's going to
14 happen come their report in December, if that's going to be
15 the end, maybe you know, I mean, they certainly haven't
16 advised me, I don't know, whether that's going to be the end
17 or not, but I anxiously await that because it will be great
18 to have closure in the parts in this case.

19 Then I have on the agenda because it was on your
20 proposed agenda but I don't know what it is, end-payor and
21 dealership plaintiffs discussion regarding additional case
22 filings and amended case filings.

23 Put your appearance, please.

24 MR. BURNS: Certainly, Warren Burns for the
25 end payors.
